HMH Community Investment Council

HIGHLIGHTS

LOOKING BACK ON A YEAR OF COMMUNITY SERVICE

HMH is proud to support Community Investment Councils (CICs), comprised of employees who are passionate about community service. CICs align with our major office locations and distribution centers across the United States and Ireland including a Remote CIC to connect home-based colleagues in the US. CIC members utilized funding, training, and support from the Corporate Social Responsibility team to engage fellow colleagues in volunteer opportunities and charitable campaigns, including planning and leading dozens of projects during HMH Volunteer Week 2022.

CICs not only provide a platform for HMH employees to give back to the communities in which they live and work but also help strengthen company culture and provide members with professional development opportunities.

Here is a snapshot of the impact CICs had in their communities and beyond in 2022!

BY THE NUMBERS

- 9 total CICs
- 73 employees served on CICs
- 91 projects completed during Volunteer Week
- 3,337 hours volunteered during Volunteer Week
- 12,800+ students served during Volunteer Week
CIC PROJECT SPOTLIGHT: BROOKLYN, NEW YORK

HMH's New York CIC kicked off Volunteer Week 2022 by bringing employees together to volunteer with The Prospect Park Alliance. The team spent the day providing upkeep to Prospect Park, removing litter and assisting with trail landscaping.

CIC PROJECT SPOTLIGHT: IRVING, TEXAS

During Volunteer Week 2022, the Remote CIC led a project to benefit the pediatric medical nonprofit PediPlace. Over twenty Texas-based employees came together to pack a total of 600 goodie bags for the children served by PediPlace.

CIC PROJECT SPOTLIGHT: DUBLIN, IRELAND

HMH's Dublin CIC organized a day of service with long-standing nonprofit partner, ChildVision. Volunteers spent a full day tending to the gardens and grounds at ChildVision, which is Ireland’s only dedicated Education Centre for blind children.
