Get Tailored, Hands-on PD for Educators
Personalized for teachers of all experience levels

Educators face diverse challenges every day, and they deserve support from a partner they can count on. HMH Professional Learning is here for you. We provide tailored, hands-on PD for teachers and administrators of all experience levels, throughout the year.

Own your professional development

HMH Coachly™ gives teachers ownership over their learning with unlimited, 1:1 sessions with their intentionally-matched instructional coach.

From program implementation to personalized teaching strategies, HMH coaches are invested in teacher success every step of the way.

Coachly includes:

- Thoughtfully-matched instructional coaches: Coachly pairs teachers with coaches who understand their subject area and bring an average of 7 years of classroom experience to every session.

- Teacher-owned professional Growth: Coachly puts teachers in control of their own goal-setting, learning, and schedule with unlimited virtual coaching sessions and messaging.

- Evidence-based framework: Coachly’s approach to instructional coaching is grounded in proven high-impact teaching strategies. This method builds a shared language and a unified teaching culture through setting, measuring, and achieving professional goals.

Coachly gives teachers unlimited support via virtual sessions and messaging with their HMH instructional coaches. And it’s all on HMH Ed – the same place as their HMH curricula.

Create a shared learning experience

Bring the Coachly experience to the whole team with in-person instructional coaching days.

Add in-person coaching days to receive:

- A dedicated HMH instructional coach who works with educators both 1:1 and as a team.

- Collaboration to establish a common goal and build a shared-language.

- Concrete learning to address school-wide challenges.

Get Shoulder-to-Shoulder Partnership with Leadership Experts

Education leaders need proven, trusted partners. Introducing the Center for Model Schools – the only organization devoted to providing year-round leadership support through its namesake Model Schools Conference, leadership cohorts, and 1:1 consulting.

Introducing
Center for Model Schools™
Formerly known as the International Center for Leadership in Education (ICLE), the Center for Model Schools partners with leaders to make their transformational vision become reality.

Transformational Leadership Network
Connect with leaders who share similar challenges through the Transformational Leadership Network. Each year-round cohort gives network members opportunities to learn from and with each other through inter-district sessions facilitated by specialists in improvement science.

School Improvement via UChicago Impact® and NWEA
The Center for Model Schools’ leadership consulting now supports school improvement initiatives via an exclusive partnership between UChicago Impact® and NWEA, a division of HMH.

Model Schools Conference
Join the nation’s largest annual gathering for rapidly-improving K-12 schools and districts. Featuring schools that have achieved positive transformation, Model Schools Conference gives attendees practical strategies to implement meaningful change when they return home.
