Thank you for taking the time to review *HMH Into Reading*® and ¡Arriba la Lectura! This digital walkthrough guide was created to help you navigate the HMH® learning platform, *Ed*.

*Ed* is an online learning platform for remote learning and classroom use that combines the best of technology, content, and instruction to personalize the teaching and learning experience for every teacher and student using HMH programs. With *Ed*, teachers can easily plan lessons and group students to provide targeted and specific differentiation.
Logging into Your Preview Account

We’re excited to help you get started with the Ed online learning platform.

1. **For Ed access**, contact your Account Executive or go [here](#) to set up your own account.

2. **If setting up your own account**, the Student Preview is immediate, but the Teacher Preview arrives in 1-3 business days.

   To return to your online evaluation, please visit [hmhco.com/one](http://hmhco.com/one) and enter your username and password.

---

**Before you get started:**

- For the best user experience, we recommend using the [Google Chrome™](https://www.google.com/chrome) browser.

- **Disable pop-up blockers** or **allow pop-ups** from this site in your browser software.

- For **technical support**, contact **1.800.323.9239**.

Teacher Preview requires verification to ensure that students do not access *HMH Into Reading* teacher materials.
Teacher Dashboard

Your personalized Teacher Dashboard is organized into five main sections:

**Dashboard**
View announcements and an at-a-glance picture of the day’s assignments and grading to-do list.

**My Classes with Virtual Classroom Tool**
Once set up, you’ll be able to find your students, create and customize your assignments, and track growth and proficiency.

**Discover**
See all programs, units, and lessons organized by scope and sequence and standard. You can also explore our adaptive solutions like Waggle™ and the Growth Measure.

**Reports**
Ed offers curriculum-embedded assessments and the Growth Measure to monitor progress, measure growth, and inform your instruction.

**Teachers Corner**
Find bite-size professional support for your programs with Getting Started guides, tips from practicing teachers, and Live Events.

Foundational Skills and Word Study Studio

Target foundational skill instruction in small groups to reinforce, intervene, or extend student learning based on need. The online Foundational Skills and Word Study Studio provides teachers explicit, sequential, and systematic lessons in the critical areas of print concepts, letter knowledge, phonological awareness, phonemic awareness, phonics, word recognition, and fluency.

Read and Respond Journals

Decodables and passages within Read and Respond Journals allow students to build their confidence as readers. Students practice skills within the context of reading passages at their strategic reading level. This additional practice provides support to help with comprehension and opportunities to reinforce and refine students’ skills.
Student Book View

- Students will open a **Table of Contents** to access units and lessons.
- Tap this button to see **Notes** or highlighted text students create.

Module text sets are anchored by an **Essential Question** that helps students discuss and write about the texts they read.

Embedded Videos and Close Read Screencasts are also included in the interactive Student Edition.

With their eBooks, students can take notes and play audio with text highlights.
Family Room

Introducing Family Room bite-size tips and videos to help support families and caregivers.

- Simple, helpful, and equitable with short articles and media in both English and Spanish.
- Easily accessible via a student's Ed student log-in.
- Personalized based on a student's programs so caregivers can find the most relevant support.

How do families and caregivers access Family Room?

1. Parents log into Family Room using their child’s login for Ed
2. Select Student’s Initials in the top right corner.
3. Select Family Room in the dropdown menu.

HMH Go

Students and Teachers can access their HMH Into Reading and ¡Arriba la Lectura! eBooks online, offline, or on the go with our free learning app HMH Go™.
Assessments

Measure student performance with a wealth of assessment resources:

- Growth Measure
- Guided Reading Benchmark
- Program Assessments
  - Module Assessment
  - Weekly Assessment
  - Selection and Leveled Reader Quizzes

A suite of formative and summative assessments maximizes student growth and drives positive learning outcomes.

The Growth Report shows your class Growth Measure results. Once students complete the Growth Measure, you can view students’ scaled scores and performance levels for the testing window, class averages, and individual results.

The Assessment Report provides overall class performance on all your program-based assessments. You can monitor results on all of the assessments you’ve administered this year by class and individual student to inform instructional next steps.
Reports and Insights

*HMH Into Reading* teachers get valuable insight about the performance of their students to inform their next instructional steps.

Easy-to-interpret Assessment, Standards, and Growth Reports provide a clear picture of both individual progress and class growth.
