Data-Informed School Improvement

K–12 Solutions at a Glance

International Markets
Boost Achievement for Every Learner!

Meet the goals of your school improvement plan with solutions that:

- Support students at all skill levels
- Engage every learner with content that supplements your core instruction
- Provide targeted instruction for students in need of additional intervention
- Incorporate social-emotional learning

ASSESSMENT & SUPPLEMENTAL

Adaptive Benchmark Assessment for Math and ELA
Connect data insights with best-in-class core, supplemental, and intervention programs through adaptive and reliable assessment.

Assessment, Dyslexia Screening, and 1:1 Tutoring
Utilize artificial intelligence (AI) to accurately assess oral reading fluency, screen students who are at risk for dyslexia, and provide 1:1 tutoring. Available en español.

Waggle
Personalized Practice and Instruction for Math and ELA
Provide personalized practice and instruction to support skills-diversity in the classroom and promote a growth mindset in all students. Available en español for Grades 3-8.

Writable
Scaffolded Writing Practice
Connect any style of writing instruction to a cycle of authentic feedback and revision to build more independent, reflective writers.

Meet Amira—The Teacher’s Reading Assistant. Now available in English and Spanish!
INTENSIVE INTERVENTION

Comprehensive Reading Intervention
Accelerate students reading two or more years below grade level to grade-level proficiency.

Math Intervention for Algebra Readiness
Build students’ confidence and competence to accelerate their progress to algebra.

English Language Development
 Expedite language acquisition for academic language learners and long-term multilingual learners.

CLASSROOM LIBRARIES

Comprehensive Literacy
Systematically build students’ decoding, comprehension, and critical-thinking skills with these texts and tools from Rigby®.

Small Group/Independent Reading
Help students to build key literacy and character skills through fictional leveled text about playful heroes who make good choices.

Small Group/Independent Reading
Enhance small-group instruction and independent reading with precisely leveled libraries.

Math 180 prepares students for algebra readiness and addresses the needs of striving students.

Read 180 is configured to support all learners - from phonics to fluency to grade-level proficiency.

A wide variety of fiction and nonfiction titles improves students’ background knowledge while allowing teachers to seamlessly integrate literacy into their core instruction.

Available to US Curriculum Schools only.
Unlimited Access, Unlimited Choice, Unlimited Benefits: Professional Development for Teachers and Leaders

From collaborative problem-solving to implementation support, HMH Professional Services partners with school leaders to create meaningful professional learning experiences that foster long-term, sustainable growth.

HMH programs now include Teacher Success Pathways that help new and veteran educators learn at their own pace and on their schedule. Plus, you can access live online events, scaffolded resources, and classroom videos all year long in Teacher’s Corner®

Guided Implementation Support
Our programs include continuous implementation support with guided learning pathways to ensure teacher success within the first 30 days, as well as on-demand resources in Teacher’s Corner® all year.

Teacher’s Corner
Teacher’s Corner provides model-lesson videos, teacher tips, and interactive support—on your schedule. At free live events, work with fellow educators to address today’s instructional challenges

Family Room
HMH Family Room is an ever-growing library of on-demand resources in English and Spanish that provides families and caregivers the tools they need to support their child’s learning.

Leader’s Corner
Administrators can access on-demand resources, leader-specific live events, resources for PLCs, and downloadable templates for classroom observations
